Lock & Key 2011 Cabernet Sauvignon

Varieties: Cabernet Sauvignon

Region: Hilltops NSW

Winemaking notes: Cold soaked pre-ferment, 12 day fermentation, bpartial arrel ageing in used French hogsheads and barriques

Tasting notes

Colour: Vibrant purple

Nose: Lifted dark berries with hints of mint and dried herbs.

Palate: This wine displays varietal integrity that belies its price-point. Packed with blackcurrant, cedar and forest fruits and a tannin structure that elevates it from the plethora of mainstream generic "easy drinking" cabernets.

Comments: This is a very generous and stylish cabernet with beautiful balance that delivers incredible value for money.

Alcohol: 14.5%
