

## Ekim Brewing Co: 'After Battle'\*

Style: Pale Ale ABV: 5.4%

A medium-bodied, bittered American-style pale ale. The ale is a deep golden, honey-like colour with a medium head that dissipates slowly. The smell is crackin', with aromas of citrus and passionfruit that carries through to the initial sip. The Simcoe/Citra combination of hops present heady fruit notes, which are amplified through the dry-hopping, producing intense flavour and aromas without the additional bitterness. That said, there's a decent bitterness providing a sharpness, but is moderated and perfectly balanced by the subtle toffee sweetness from the malts and tropical fruit flavours.

\*'After Battle': A day in a passive aggressive combat with colleagues? 3 hours behind a dodgy mower in a war against knee high grass? You need a beer for freaks sake!
